The above petition has been approved. As the petitioner requests, we have sent the petition to the U.S. Department of State National Visa Center (NVC), 32 Rochester Avenue, Portsmouth, NH 03801-2909. The NVC processes all approved immigrant visa petitions that need consular action. It also determines which consular post is the appropriate consulate to complete visa processing. We will use the information obtained to determine whether you are eligible for the benefit you seek. If we find any derogatory information, we will follow the law in determining whether to provide you (and the legal representative listed on your Form G-28, if you submitted one) an opportunity to address that information before we make a formal decision on your case or start proceedings.

Important Information:

You submitted forms and supporting documents to the NVC in electronic form. You must present the original forms and documents for review by the consular officer during your interview.

Please promptly read and follow all Interview Preparation Instructions located on the Department of State's web site at: <https://nvc.state.gov/prep>.

You should present this letter upon arrival at the Embassy/Consulate General.

Only family members listed below in the "Additional Applicants" section who are intending to immigrate at this time must appear at the Embassy/Consulate General on the appointment date.

PRESIDENTIAL PROCLAMATION ON HEALTH CARE: On October 4, 2019, the President issued Presidential Proclamation 9945 on the "Suspension of Entry of Immigrants Who Will Financially Burden the United States Healthcare System." For the most up to date information on how PP 9945 might affect your case, please visit <https://travel.state.gov/healthcare>.

What To Do if You Cannot Keep the Appointment:

Some Embassies/Consulates General reschedule interview appointments themselves; others utilize an outside service provider to reschedule appointments. To determine the proper procedure for rescheduling your interview appointment, please go to the Department of State's web site at: <https://nvc.state.gov/prep> and click the link to the U.S. Embassy or Consulate interview preparation instructions. Select your interview location from the list and follow your Embassy/Consulate General's instructions listed under "Contact Information" on the right.

- Bring this letter to your medical examination because the panel physician may need to review it before performing the examination.
- If a sponsor filed an I-864 (Affidavit of Support) AND provided the NVC with proof of an IRS Federal Income Tax Extension in lieu of a Federal Income Tax Return, you must upload this to CEAC or bring the sponsor's most recent Federal Income Tax Return to the visa interview.
- Failure to present all necessary documents to the Consular Officer will result in your immigrant visa being refused at the initial interview.

Questions:

The National Visa Center has completed its processing of this case and any further inquiries should be addressed to the U.S. Embassy, Consulate General, or Diplomatic Mission listed below. When communicating with the Embassy/Consulate General by e-mail, letter, or fax, always refer to your name and case number exactly as they appear.

Subject: KHT2020584003: Introduction to Document Collection

Greetings from NVC:

You were recently notified that we are now ready for you to begin filing your application with the National Visa Center. Our role is to collect fees, administratively prepare you for your visa appointment, and schedule your interview. Some people can find these steps to be difficult, so we would like to provide a few helpful reminders as you prepare your application.

The most important resource you have for this is our website: <https://nvc.state.gov/>. You must read this website in its entirety throughout your application process. Failure to follow the instructions on this site will delay the processing of your case.

Although the website has complete instructions on all the required fees, forms, and documents you need to submit, we want to point out a few areas where we

typically have to request corrections on cases:

1. Incorrect applicant civil documents and police certificates. There are very specific criteria for what documents are acceptable and the issuing authorities who provide documents for immigration purposes. Failure to submit the correct version of your documents will delay your case. Review <https://nvc.state.gov/find> and review the requirements for the issuing country of your documents.

2. Supporting Financial Documents. In most cases, the petitioner will need to submit an Affidavit of Support and supporting financial documents. If using a Joint Sponsor or Household Member, they will also need to submit some supporting documents. We routinely reject cases that do not submit documents such as:

- a. Tax transcripts/tax returns,
- b. W-2/1099s, and/or;
- c. Proof of income.

Failure to submit these documents will delay your case. Review the chart on <https://nvc.state.gov/fin> and determine which supporting documents you will need to submit.

3. Missing petitioner civil documents. There are cases where the petitioner must submit civil documents for immigration purposes. CEAC will not request every document that is required.

a. Example: The petitioner is applying for an IR1, CR1, or F2A (spouse of a U.S. Citizen or Lawful Permanent Resident) visa and the spouse was previously married. The petitioner must obtain evidence of the termination of EVERY prior marriage the petitioner has had.

Failure to submit these documents with your initial submission will delay your case. Review <https://nvc.state.gov/documents> to identify which documents you will need to submit to NVC.

These are some of the common reasons we request corrections on cases. Since there are other reasons, be sure to review <http://nvc.state.gov/> in its entirety to prevent delays in the processing of your case.

Regards,
National Visa Center,

Please be advised that all the required document/s (photos) **must be scanned into the applicant's case**. This is done through the "start now" button when you log into your DS-260 through <https://ceac.state.gov/ceac/>. You will require your KHT case number and your invoice ID provided to you by the National Visa Center. Please ensure you scan the complete document. (Front and back if applicable).

The photos and Passport must be dropped in the Immigrant Visa Box outside the Consular section gate.

Once the original documents received will be placed in the review queue by a Consular officer, once the review is completed you will be contacted through e-mail.

"Please be advised that due to the COVID-19 pandemic and to ensure the safety and health of our colleagues and clients, the Consular section is working under limited staffing, therefore please note that there may be delays in processing and correspondence."

Hope this information is helpful.
